Attendance policy is not a coach's decision. The coach is required to take and document all attendance at all practices

and report any absences to the league office each week by Saturday 10am and will report why the parent said they missed. The league's Board of Directors will determine if a missed practice is excused. We understand that most leagues do not have a required attendance for practice, but we believe it is not fair to the players that are attending all practices to get the same playtime as a player that misses practice. Football is a very hard sport to teach and coach and the coaches need the players to be at practices.

THE LEAUGES PLAY TIME POLICY IS THAT EVERY PLAYER WILL PLAY AT LEAST HALF OF THE GAME EACH WEEK AS LONG AS THEY FOLOW THE ATTENDENCE POLICY
